|---|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|------|-------|
| 1 | Supply and deliver premium quality washable oil-based enamel paint in 20-litre containers suitable for interior and exterior applications. The paint shall produce a durable, high-gloss finish with excellent colour retention, abrasion resistance, washability, and resistance to moisture, stains and household cleaning chemicals. The product shall be suitable for application on suitably primed plaster, concrete, masonry, timber and steel surfaces.<br>The colour shall be Light Grey, with the final shade to be approved by MEGA before delivery. Each container shall be clearly labelled with the manufacturer's name, product code, batch number, manufacturing date, expiry date, application instructions and safety precautions. | 10       |      |       |
| 2 | Supply and deliver premium quality solvent-based plaster primer supplied in 20-litre containers. The primer shall be specifically formulated for sealing new cement plaster, concrete, fibre cement, brickwork and other porous masonry surfaces prior to painting.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 10       |      |       |
| 3 | Supply and deliver premium quality 5 kg ready-mixed or powder interior/exterior polyfilla suitable for repairing cracks, holes, dents and surface imperfections in plaster, concrete, brickwork and gypsum board.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 3        |      |       |
| 4 | Supply and deliver premium quality aluminium oxide sandpaper suitable for final surface preparation before painting.<br>Grit: P180-P240                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 30m      |      |       |
| 5 | Supply and deliver premium quality heavy-duty aluminium oxide sandpaper suitable for removing old paint, rust and surface contaminants.<br>Grit: P60-P80                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | 30m      |      |       |
| 6 | Supply and deliver premium anti-corrosive steel undercoat supplied in 5-litre containers.<br>The product shall comply with applicable SANS requirements and proof of compliance shall be submitted.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 5        |      |       |
| 7 | Supply and deliver premium quality oil-based enamel paint for steel supplied in 20-litre containers. Color Green -Coulor to approved by Mega before Delivery                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 5        |      |       |
| 8 | Supply heavy-duty professional-grade paint rollers suitable for commercial painting applications. Rollers shall be lint-free woven polyester or equivalent, with solvent-resistant polypropylene cores, suitable for both water-based acrylic and oil-based enamel paints. Standard rollers shall be 230 mm x 12-15 mm nap for walls and ceilings, with 100 mm mini rollers for confined areas. Foam rollers shall be supplied for gloss and enamel finishes on smooth surfaces. Roller frames shall be heavy-duty chrome-plated steel with ergonomic handles compatible with telescopic extension poles. All products shall be new, free from defects, and comply with applicable South African National Standards (SANS) where relevant.           | 8        |      |       |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |     |  |  |
|----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|--|--|
| 9  | Supply a 100 mm (4 inch) high-density sponge (foam) paint roller suitable for painting confined and hard-to-reach areas. The roller shall be manufactured from closed-cell, solvent-resistant foam to provide a smooth, even, and bubble-free finish when applying oil-based enamel, gloss paints, varnishes, primers, and sealers on smooth surfaces. The roller shall be compatible with a standard 100 mm mini roller frame and be suitable for use on doors, window frames, steelwork, cupboards, skirtings, trim, pipes, corners, and other restricted areas. | 8   |  |  |
| 10 | Supply telescopic paint extension poles manufactured from lightweight, corrosion-resistant aluminium alloy for painting high walls and ceilings. The extension pole shall have an adjustable length of 1.2 m to 2.4 m, fitted with a secure twist-lock or lever-lock mechanism and a universal threaded connector compatible with standard paint roller frames. The handle shall feature a comfortable non-slip rubber or foam grip for safe operation and reduced user fatigue during extended use.                                                               | 4   |  |  |
| 11 | Supply heavy-duty paint trays manufactured from durable solvent-resistant polypropylene plastic, suitable for use with 100 mm and 230 mm paint rollers. The tray shall include a textured rolling surface for even paint distribution and have sufficient capacity to hold paint without spillage during use. Trays shall be reusable, easy to clean, and resistant to cracking and deformation under normal site conditions.                                                                                                                                      | 6   |  |  |
|    | Sub Total                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |     |  |  |
|    | Vat                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 15% |  |  |

2.2 Do you, or any person connected with the bidder, have a relationship with any person who is employed by the procuring institution? **YES/NO**

2.2.1 If so, furnish particulars:

.....  
.....

2.3 Does the bidder or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest in the enterprise have any interest in any other related enterprise whether or not they are bidding for this contract? **YES/NO**

2.3.1 If so, furnish particulars:

.....  
.....

### 3 DECLARATION

I, the undersigned, (Name).....  
in submitting the accompanying bid, do hereby make the following  
statements that I certify to be true and complete in every respect:

- 3.1 I have read and I understand the contents of this disclosure;
- 3.2 I understand that the accompanying bid will be disqualified if this disclosure is found not to be true and complete in every respect;
- 3.3 The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium<sup>2</sup> will not be construed as collusive bidding.
- 3.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications, prices, including methods, factors or formulas used to calculate prices, market allocation, the intention or decision to submit or not to submit the bid, bidding with the intention not to win the bid and conditions or delivery particulars of the products or services to which this bid invitation relates.
- 3.4 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
- 3.5 There have been no consultations, communications, agreements or arrangements made by the bidder with any official of the procuring institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the bidder was not involved in the drafting of the specifications or terms of reference for this bid.
- 3.6 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

I CERTIFY THAT THE INFORMATION FURNISHED IN PARAGRAPHS

---

<sup>2</sup> Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

**SBD4**

1, 2 and 3 ABOVE IS CORRECT.

I ACCEPT THAT THE STATE MAY REJECT THE BID OR ACT AGAINST ME IN TERMS OF PARAGRAPH 6 OF PFMA SCM INSTRUCTION 03 OF 2021/22 ON PREVENTING AND COMBATING ABUSE IN THE SUPPLY CHAIN MANAGEMENT SYSTEM SHOULD THIS DECLARATION PROVE TO BE FALSE.

Position Name of bidder

## PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

**NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022**

### 1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

### 1.2 To be completed by the organ of state

- a) The applicable preference point system for this tender is the **80/20** preference point system.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and  
(b) Specific Goals.

### 1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

|                                                  | POINTS     |
|--------------------------------------------------|------------|
| <b>PRICE</b>                                     | <b>80</b>  |
| <b>SPECIFIC GOALS</b>                            |            |
| Enterprise owned by Black people                 | 4          |
| Enterprise owned by Women                        | 4          |
| Enterprise owned by Youth                        | 4          |
| Enterprise owned by Disabled                     | 4          |
| Enterprise owned by SMME's-QSE and EME           | 4          |
| <b>Total points for Price and SPECIFIC GOALS</b> | <b>100</b> |

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

## 2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

## 3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

### 3.1. POINTS AWARDED FOR PRICE

#### 3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc}
 \mathbf{80/20} & \mathbf{or} & \mathbf{90/10} \\
 \\
 \mathbf{Ps} = \mathbf{80} \left( \mathbf{1} - \frac{\mathbf{Pt} - \mathbf{Pmin}}{\mathbf{Pmin}} \right) & \mathbf{or} & \mathbf{Ps} = \mathbf{90} \left( \mathbf{1} - \frac{\mathbf{Pt} - \mathbf{Pmin}}{\mathbf{Pmin}} \right)
 \end{array}$$

Where

- Ps = Points scored for price of tender under consideration
- Pt = Price of tender under consideration
- Pmin = Price of lowest acceptable tender

### 3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

#### 3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} 80/20 & \text{or} & 90/10 \\ Ps = 80 \left( 1 + \frac{Pt - P_{max}}{P_{max}} \right) & \text{or} & Ps = 90 \left( 1 + \frac{Pt - P_{max}}{P_{max}} \right) \end{array}$$

Where

- Ps = Points scored for price of tender under consideration  
Pt = Price of tender under consideration  
Pmax = Price of highest acceptable tender

### 4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
  - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

**Table 1: Specific goals for the tender and points claimed are indicated per the table below.**

***(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.***

***Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)***

| The specific goals allocated points in terms of this tender | Number of points allocated (90/10 system)<br>(To be completed by the organ of state) | Number of points allocated (80/20 system)<br>(To be completed by the organ of state) | Number of points claimed (90/10 system)<br>(To be completed by the tenderer) | Number of points claimed (80/20 system)<br>(To be completed by the tenderer) |
|-------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|------------------------------------------------------------------------------|------------------------------------------------------------------------------|
| Enterprise owned by Black people                            | N/A                                                                                  | 4                                                                                    | N/A                                                                          |                                                                              |
| Enterprise owned by Women                                   | N/A                                                                                  | 4                                                                                    | N/A                                                                          |                                                                              |
| Enterprise owned by Youth                                   | N/A                                                                                  | 4                                                                                    | N/A                                                                          |                                                                              |
| Enterprise owned by Disabled                                | N/A                                                                                  | 4                                                                                    | N/A                                                                          |                                                                              |
| Enterprise owned by SMME's-QSE and EME                      | N/A                                                                                  | 4                                                                                    | N/A                                                                          |                                                                              |

#### **DECLARATION WITH REGARD TO COMPANY/FIRM**

4.3. Name of company/firm.....

4.4. Company registration number: .....

4.5. TYPE OF COMPANY/ FIRM

- ☐ Partnership/Joint Venture / Consortium
- ☐ One-person business/sole propriety
- ☐ Close corporation
- ☐ Public Company
- ☐ Personal Liability Company
- ☐ (Pty) Limited
- ☐ Non-Profit Company
- ☐ State Owned Company

[TICK APPLICABLE BOX]

- 4.6. I, the undersigned, who is duly authorised to do so on behalf of the company/firm, certify that the points claimed, based on the specific goals as advised in the tender, qualifies the company/ firm for the preference(s) shown and I acknowledge that:
- i) The information furnished is true and correct;
  - ii) The preference points claimed are in accordance with the General Conditions as indicated in paragraph 1 of this form;
  - iii) In the event of a contract being awarded as a result of points claimed as shown in paragraphs 1.4 and 4.2, the contractor may be required to furnish documentary proof to the satisfaction of the organ of state that the claims are correct;
  - iv) If the specific goals have been claimed or obtained on a fraudulent basis or any of the conditions of contract have not been fulfilled, the organ of state may, in addition to any other remedy it may have –
    - (a) disqualify the person from the tendering process;
    - (b) recover costs, losses or damages it has incurred or suffered as a result of that person's conduct;
    - (c) cancel the contract and claim any damages which it has suffered as a result of having to make less favourable arrangements due to such cancellation;
    - (d) recommend that the tenderer or contractor, its shareholders and directors, or only the shareholders and directors who acted on a fraudulent basis, be restricted from obtaining business from any organ of state for a period not exceeding 10 years, after the *audi alteram partem* (hear the other side) rule has been applied; and
    - (e) forward the matter for criminal prosecution, if deemed necessary.
